WHY WILL YOU

Allow a cold to advance in your system and thus encourage more serious maladies, such as Pneumonia, Hemorrhages and lung troubles when an immediate relief can be so easily attained.

Boecher's German Syrup has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Diseases. It is Dr. Boecher's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduction there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your druggist as to the truth of these remarks. Large size 75 cents. Try it and be convinced.

THE INVESTIGATION

Made by the medical profession and the people of the West proves the superiority of Brown's Family Medicine over Eastern remedies. Have you a cough, a feeling of oppression and soreness of the lungs? Brown's Cough Balm will cure you.

For relieving sore throat and clearing and strengthening the voice, Brown's Tar Troches are endorsed by everybody.

The healing properties of Arnica are conceded by all physicians. For healing sores, ulcers, cuts, burns, bruises, frost bites, piles, and sore eyes, Brown's Arnica Salve is without a rival.

Extract Sarsaparilla, Dandelion and Jodine Potassium is the King of remedies for the blood and liver and all skin diseases. For sale by R. B. Stevenson and John W. Scott, Iola, Kansas.

JUST SO.

A. D. Dunn, of the Inter-State, broached the subject of moving that paper to Iola some weeks ago, while at dinner at the Acers House. The report was spread that the Inter-State was to be moved to Iola, and we gave it a feeling of oppression and soreness of the lungs. Brown's Cough Balm will cure you.

DEER CREEK.

On the 10th inst. Charley Maier and Ida Wise sailed for the haven of matrimony in peace and quietude, taking a wedding tour to Ft. Scott in a sleigh, returning on Monday.

Adam Maier took a car load of hogs to Kansas City last week and is now ready for another load.

The people of District No. 4 were fortunate in securing the services of Mrs. White, of Colony, as teacher.

The festival at the M. E. Church was well attended and the table fairly groined with the good things of life, and from the way they disappeared it seemed as though the assembly was prepared to do them justice. From the way brother Wise took in the quarters for tickets we judge it was a financial success.

The entertainment was enlivened by vocal and instrumental music. Wm. T. Davis furnished a very fine organ for the occasion. Before closing a sale was made of contributed articles to the highest bidder, by our efficient auctioneer, brother Main.

NILWOOD ITEMS.

NILWOOD, January 20th, 1879.

The school boys merry about cheers our corner once more.

The sleighing has a tendency to increase the demand for marriage licenses on the Osage.

Those new homestead lands are of little account. After your correspondent had struck a plat and rode from one piece to another all day the thought that these were cullings left from many years' selection dawned upon his mind.

And now J. C. Gordon comes to the front with a patent hand carriage. We always knew John to be a very inventive genius, but never thought of this him.

The Spring Valley Lyceum is in a flourishing condition. At the last meeting the house was crowded to overflowing. The paper edited by Howard Tallentire, teeming with poetic wit and humor, was excellent. Then came vocal music by all, Mr. Madden bringing up the instrumental part with his excellent violin. After recess came the debate, indulged in by many with interest and spirit. Every neighborhood should have a lyceum.

Locals scarce. More anon. Y. Z.

We are sorry to learn that Prof. F. W. Bartlett, master of the Quincy street school, and his amiable wife are called upon to mourn the death of their little boy, Lawrence, who died at their residence on Tennessee street, Tuesday afternoon. They will have the heartfelt sympathy of the community in their bereavement.—Lawrence Journal, 22d.

The funeral services were held at the residence of Hon. Thos. Bartlett yesterday afternoon and were conducted by Rev. Wiman. This is the second time that Prof. Bartlett and his estimable lady have been called upon to mourn the loss of a loved one, and in their deep affliction they will have the sympathies of many friends.

Last Saturday night as a freight train was going south on the M. K. & T. R. R. they encountered a broken rail one and one-half miles south of Bramlett, which threw from the track five cars loaded with stock, consisting of cattle and hogs, most all of which were killed. Upon going through the wreck, in the caboose we encountered Mr. Bob. Ige. "Hello Bob! what are you doing here?" "Oh! I started for St. Louis with my stock; but I have sold out to the M. K. & T.—and let's smoke." Shake, Bob. YUNA.

Several book agents are canvassing the country. One fact that all should know is that books can be purchased of publishers direct cheaper than book agents will sell them. A safe rule is never to buy a book of an agent.
